What is the [FrontRow Lyrik](#) you ask? Lyrik is the latest ultra portable solution from FrontRow designed to go anywhere. At only 8.2lbs with a built-in handle and battery, Lyrik provides audio and wireless microphone support in any teaching setting, including online learning.

What's better than having a new FrontRow Lyrik system in your classroom?

Getting a free student microphone with your purchase!!!

Key Benefits

- Just charge and go, portable sound when and where you need it
- Provides more freedom of movement
- Saves the teacher's voice
- Easily connects with mobile devices, media players, smart panels, and more
- Amazing sound coverage – can cover up to 230 feet (70 meters)
- Built-in Bluetooth® allows wireless audio streaming from multiple Bluetooth®-enabled devices such as phones, TVs and tablets.

"They feel that their voice matters. Some students are very soft spoken to begin with. As soon as they are given a microphone they have the spot light. It keeps them more engaged and students tend to listen to each other a little more effectively."

Concetta Buragina
Teacher, St. Francis of Assisi
